## **GMT Global Republic Aviation Announces the Acquisition of One Boeing B777-200ER Aircraft**

**Dublin, Ireland (July 1, 2015)** – GMT Global Republic Aviation (GMT Global) today announced that it has completed the acquisition of one 2004-build Boeing B777-200ER aircraft, on lease to Singapore Airlines.

“GMT is pleased to add this aircraft to our portfolio” said Randy Dietrich, CEO of GMT Global and Republic Financial Corporation. “The B777-200ER is an excellent performer on long-haul routes for a large operator base across the globe. Additionally, we are look forward to further developing a close partnership with Singapore Airlines over the coming years.”
